Announcement of Open Meeting Compliance

Roll Call: Judy Boyd, Beth Dieteman, Amanda Donahoe, Jackie Henderson, Cheri Oelke, Rose Therkildsen

Absent: Lori Lammers

**MINUTES:** May 23, 2022 minutes approved.

### **OLD BUSINESS:**

**North and South Entrances** will add river rock groundcover. The City Council approved \$2,504 from KENO funds for the groundcover project with the \$2,000 balance paid by the Enhancement Committee. Hagar Outdoor, LLC, plans to begin on July 15. Lori will ask about a newspaper article.

**Historic branding** signs and figures – Julie Ashton will keep us informed as the project progresses.

**Re-locate two Soldiers** to the front of City Hall – Judy gave Mayor Robinson a picture that shows flags indicating the placement of the soldiers. Discussed using wood posts but that can be determined when the soldiers are installed. Judy will follow-up.

**Watering schedule** is working well. Monday-Beth; Tuesday-Amanda; Wednesday-Cheri; Thursday-Rose; Friday-Jackie; Sat/Sun-Lori; Judy will sub in when she is able. One plant in the wooden planter died, possibly a drainage issue. Judy replaced it with a Vinca.

**Schedule a workday** and paint the benches in the fall.

Area around the Sycamore trees need mulch; Judy will follow-up with Corbin.

### **NEW BUSINESS**

**Farmers Market** will open after July 4, when Royce has produce.

**New Bicycle Racks in Park** has been suggested; deferred to the Park Board.

**West Market Square Park** restrooms need to be cleaned and possibly painted. We have received complaints; Judy will contact City Hall.

Meeting adjourned at 7:00pm
