MINUTES: Minutes from the April 24, 2023 meeting were approved.

OLD BUSINESS:

Spring clean-up - After our second clean-up on April 26, we noted:

- More mulch is needed for the areas under the Sycamore trees, in front of City Hall and at the Suverkrubbe Marker to suppress weeds.
- The River Birch (in front of City Hall) and Sycamores trees have suckers growing out of their trunks and should be pruned off.
Beth moved to ask about trimming off the suckers from the River Birch and Sycamores trees.
Amanda seconded; motion passed. We will ask Corban for his advice.
- The South entrance area has a tree with several dead limbs and needs pruning; remove pine tree growing under deciduous trees.
Rose moved to prune the tree and take out the pine tree at the South entrance.
Jackie seconded; motion passed. We will ask Corban for his advice.
- Suverkrubbe Historical Marker – we re-planted grasses, re-set bricks, weeded and mulched.
Area needs more mulch and to be put on a water watch.

Maintenance and supplies for 2023 summer season:

Watering schedule for flowers:	Sat/Sun	Lori	Wednesday	Cheri
	Monday	Rose	Thursday	Beth
	Tuesday	Amanda	Friday	Jackie

Judy purchased a new hose; we will need a new hose reel or receptacle.

Paint Benches, spray weeds and do general clean-up on Wednesday, May 31, at 10:00am.

Curb Alert in April was not successful because it rained, was cold and windy.

We will have another Curb Alert on Sunday, June 25, after the City-Wide Garage Sale (June 23/24).

Put up flyers, ask to have it put on the water bill, put in newspaper "What's Up?" and on Facebook.
